HERBED TURKEY BURGERS

Servings = 4

25 min

1 1/3 pounds ground turkey or chicken
1 teaspoon dried oregano
2 teaspoons dried parsley
1 teaspoon sea salt
1/2 teaspoon black pepper

1-2 tablespoons olive oil
ketchup (optional), to garnish
mustard (optional), to garnish
mayo (optional), to garnish

Steps:

1. To make the burgers, place turkey meat in a mixing bowl. Add the dried herbs, salt and pepper and mix until the herbs are evenly distributed.
2. Divide meat into 5-6 equal portions and form into burgers about 1 inch thick. It is best to make the center of the burger thinner than the outside, as it will "puff" up as it cooks.
3. Cook on an oiled skillet on medium-high heat. Flip once and avoid pressing to release juices. Cook for 4 minutes on each side for medium or 5 minutes for well done.
4. Enjoy alone with condiments or with your choice of bun or bread.

SWEET POTATO FRIES

Servings = 4

40 min

3-5 sweet potatoes, depending upon size
3 tablespoons olive oil

1 tablespoon fresh rosemary, chopped, or 1 tsp dried
(optional)
sea salt

Steps:

1. Preheat oven to 400 F. Wash and cut off ends of the sweet potatoes. Peel potatoes if desired. Cut into smallish 1/2"-1-inch cubes.
2. Oil a baking sheet with olive oil. Place sweet potatoes on the sheet, distributing evenly. Pour additional olive oil onto potatoes until they are lightly covered.
3. Move the potatoes around with your hands until they are coated in oil. Sprinkle with salt and fresh rosemary. Spread the potatoes evenly over the pan, making sure they are not overlapping. Bake for 20-25 minutes or until tender and slightly browned. The smaller the cubes, the shorter time they take to cook.

TIP: If you cannot eat sweet potatoes, you can use carrots, butternut squash or celery roots to make fries.

KID-FRIENDLY TIP: Leave out the rosemary.

CHICKEN TACOS

Servings = 4

30 min

This recipe was adapted from *Nourishing Traditions* by Sally Fallon.

1 Rotisserie chicken or 1 lb chicken breasts	1 dash cayenne (optional)
1 tablespoon olive oil	1/4- 1/2 teaspoons sea salt, to taste
1 onion, diced	1-2 cloves garlic, minced
3 tablespoons tomato paste	8 corn tortillas
1 cup chicken stock	2 cups romaine lettuce, shredded
1 teaspoon dried oregano	1 container salsa
1 teaspoon cumin	1 cup cheese or dairy-free cheese, shredded

Steps:

1. Remove chicken meat from the Rotisserie chicken and shred. This is easier if it is room temp or has been in the fridge. Set aside.
2. If you are cooking the chicken, place the chicken in a saucepan with enough water to cover it. Bring to a boil, then reduce to a simmer. Cook for 15 minutes or until cooked through. Drain, set aside to cool, then shred.
2. Sauté onions in olive oil over medium heat until soft, about 10 minutes. Add the tomato paste, stock, oregano, cumin, cayenne, garlic and salt. Stir in the chicken meat. Simmer for 15 minutes or so until most of the liquid has evaporated.
3. Meanwhile, warm the tortillas in the oven or individually on a dry skillet until warm but still soft.
4. Make tacos by placing a tortilla on each plate. Spoon chicken mixture on tortillas and serve with bowls of shredded lettuce, salsa and cheese or non-dairy cheese.

TIP: Other toppings may include sliced olives, avocado or guacamole.

KID-FRIENDLY TIP: Delete the cayenne and use less garlic.

DAIRY-FREE SLICEABLE CHEESE

Servings = 16

25 min/1 hour

This recipe is adapted from *The Real Food Daily Cookbook* by Ann Gentry.

2/3 cup raw cashews, soaked and dehydrated	1 3/4 cups coconut milk or almond milk
1/4 cup nutritional yeast	1 ounce agar flakes
1 teaspoon onion powder	1/4 cup olive oil
1 teaspoon sea salt	1/8 cup soy-free miso
1/2 teaspoon garlic powder	1 tablespoon lemon juice

Steps:

1. Finely grind the cashews in a food processor. Add nutritional yeast, onion powder, salt, and garlic powder. Pulse until spices are blended.
2. Combine milk, agar and oil in a saucepan. Bring to a simmer over high heat. Decrease the heat to medium-low, cover and simmer, stirring occasionally, for 10 minutes, or until agar is dissolved.
3. Pour the milk mixture into the food processor, and blend into the cashews until very smooth and creamy. Add the miso (or additional salt and nutritional yeast) and lemon juice.
4. Pour mixture into a loaf pan or another mold to cool and harden in fridge. Use right away for melted cheese, or let harden and use within an hour or so.

TIP: For grated or sliced cheese, transfer cheese mixture into a container, cover and refrigerate. It doesn't take long to firm up, but will take about an hour to completely harden. Once it's hard, you can grate or slice it easily. For melted cheese, use the cheese immediately as melted cheese. Or, if it already hard, melt it in a saucepan over medium heat until smooth and creamy, stirring frequently. If needed, add more almond milk for a thinner consistency.

For Green Chili Cheddar Cheese: Stir in 1/4 cup green chilies into 2 cups of melted cheese.

The cheese will keep for 4 days, covered and refrigerated.
